*"It simply MAKES SENSE and all teachers should do this course."*

The **Australian Kodály Certificate (AKC)** has been modelled on outstanding international Kodály programs and adapted to suit the needs of Australian educators. AKC course participants undertake study of the following subjects throughout the **10-day course**:

**Methodology,  
Teaching  
Techniques  
and Cultural  
Materials**

Learn new songs, games, dances and musical works to **engage your students**. Study strategies of curriculum design, teaching, planning and assessment appropriate for delivery of a sequential and developmental music program. Knowledge and skills gained in this course will support teachers in meeting the requirements of the Australian curriculum.

**Musicianship**

Enjoy singing and performing a range of musical works in a fun and supportive learning environment. Develop your **sight-reading, sight-singing, aural perception, theory and part-work skills** through active music-making. Participants are invited to choose the class that best suits their musical needs and experience. *Everyone is welcome: beginners to professional.*

**Choir**

The AKC Course Choir is your opportunity to perform quality choral music under the direction **internationally renowned choral conductor Réka Csernyik**. You will develop your love of choral singing through daily sessions with the AKC Course Choir, learning rehearsal strategies and warm-ups that can be readily applied in your own teaching context. Past participants have rated this as one of the most enjoyable components of the course.

**Conducting**

Would you like to have the **opportunity to develop your choral conducting skills**? In this class, participants will learn about rehearsal strategies, repertoire and conducting techniques through active music-making, conducting and singing in the class choir. Taught by experienced choral conductors, participants will have the freedom to choose the class that best suits their teaching context and musical needs.

**Join us to find out why hundreds of music educators around Australia are already completing the AKC.**
