PHILIPPA CHAPMAN

Pippa Chapman graduated from Perth Modern School, attending on a Music Scholarship, with distinction in music. She has a Bachelor of Music Education (honours) and her honours thesis was about parents' motivation to enrol their young children in extracurricular early childhood music education classes. Early childhood is a particular area of passion for her. She delivered music classes for mums and bubs for many years in a variety of locations including from home and at Perth Ladies' College's Lighthouse facility.

In addition, Pippa has worked in the junior, middle and senior schools at St James Anglican School, Hale School, and St Mark's Anglican Community School, and is currently teaching at Whitfords Catholic Primary School. She has completed the Australian Kodaly Certificate in Brisbane and is an experienced musicianship tutor and music educator. Pippa delivered tutorials and seminars at Edith Cowan University for a number of years in the areas of Music in Early Childhood and Arts in Primary Education.

Currently, Pippa is a PhD candidate at Edith Cowan University and her thesis involves a survey and interviews with parents around Australia about what music activities they engage in within the home with their young children and why. She plans to finish this by the end of 2025. Pippa is also currently part-time as the Music Specialist at Whitford Catholic Primary School and is loving her role within that community.
