Composer's note: *I first wrote this song using the words Ave Maria, because I wanted something similar to a Gregorian chant, that wasn't too hard. It's really beautiful as a round! I'm currently using it in preparation for the Swedish light festival, Lucia, on the 13th of December, 2022. We're simply singing the words Sankta Lucia, right through. So feel free to improvise and use other phrases as it works with so many!*
